# SPACES CHANGE BUT WE DON'T

*For a relaxing holiday in safety, just steps from the sea.*

# RECEPTION

---

To assure all our guest a holiday without any worries, we have provided the whole Hotel of safety precautions. Our main aim is to offer you the kind and friendly welcome that has always represented us and, despite of the face mask, we have learnt to show our best smile through eyes.

## *Check in online*

To start easily your holiday we recommend to send us your ID or passport data, before your arrival. Together with our warm welcome your check in will be faster and safer.

# RESTAURANT

---

## **Keyword: security!**

- tables are spaced apart;
- possibility of room-service;
- all the spaces will be sanitized after each meal.

## **Table service**

Just take a seat and let yourself cuddle up by our staff. You will find a rich breakfast, lunch and dinner Menu where you will choose among a big selection of specialties, comfortably served at your table upon only some small precautions.

# CLEANING

It has always been our priority, now even more.

## *Rooms*

On your arrival you will find your room carefully sanitized. The daily cleaning will be done with specific products, if you wish.

## *Common areas*

All common places will be sanitized several times a day and in each area you will find a hand dispenser containing alcoholic gel to facilitate further cleansing. Moreover has been arranged separated entrance and way out to avoid any gatherings.

# SWIMMING POOL AND BEACH

Umbrellas and sunbeds are spaced to ensure relax, privacy and the possibility to tan without mask. Our swimming pool is open! The entrance is allowed to a maximum number of guests at time, so you will be able to swim, play and refresh in a more widely space.

On top of it : you will have the opportunity to enjoy lunch at the beach, seating under your umbrella!

# ENTERTAINMENT

We don't forget the amusement: our staff is already full of new ideas for you and your children, either at the hotel and on the beach!

The animation staff guarantee safety distancing, use of protection tools as well frequent cleaning of the materials and play areas.

You can join our activities in small groups so you will enjoy care and attentions.

# OUR SURROUNDINGS

## Summer time starts again!

To fulfill your relax, not only the Hotel but also the walking streets markets, shopping and pinewood are waiting for your arrival.

What we really need to do is following the security rules adopted for this time, as well we recommend your full cooperation during holiday:

- Keep yourself at least 1 mt apart from others;
- Use the mask in all common places; the obligation also applies in open spaces where it is not possible to maintain the distance of 1 mt;
- Wash frequently your hands or use the sanitizing gel you will find everywhere at your disposal;
- In case of symptoms please isolate yourself and contact the reception: you will find all the support needed.

Trough the respect of this security policy, you will enjoy a peaceful and safe holiday.
